Thank you for your corporation in regular business affairs.

How are you?

I am Ki Deuk Kim of Qnion.

1. In relation to the CPI Group E/L our company is actively shortening our schedule and is in progress of shortening the schedule. We are personally on the phone with the management of Agent Hans Aerospace daily to request a shortening of the schedule.
2. As shown in the following e-mail, the opinion of the MTEC person in charge is that the date is uncertain, so please ask for cooperation in an official letter.
3. Our Company will share any updated contents daily.

Hello. I am Byungchan Yim of Hans Aerospace.

I spoke with my case manager today but even he was unable to tell when the product will be released.

Normally after about 8 weeks, all process is usually complete, but is not always accurate.

Today's status is the same as yesterday.

Thank you.

Roy Yim
